
The Purposes of the Church

We, the people of Plymouth Congregational Church,
humbly seek and serve God within, among, and beyond ourselves.

- Within -

**We find sanctuary for our spiritual journey
in the Congregational tradition. We:**

Seek the sacred in ourselves and all others.

Cultivate our deepest and best selves.

Nurture our capacity to love.

Live in the hope of renewal and transformation.

- Among -

**We walk together in covenanted Christian
community. We:**

Care for one another.

Cultivate a spirit of gratitude, love, joy,
compassion and inclusion.

Honor many pathways to the sacred.

Deepen our understanding of our faith tradition.

Nurture a welcoming culture to all.

- Beyond -

**God's creation benefits from
our love lived out in the world. We:**

Invest our time, talent, and treasure consistent with our values.

Serve people in need.

Advance human rights.

Further social, economic, racial and environmental justice.

Share our vision of progressive Christianity, while respecting all faith traditions.
